

Night Work Alert

Trenching and putting in Communications Conduit Underground

Location: Eliseo Drive to Del Monte along Sir Francis Drake Boulevard

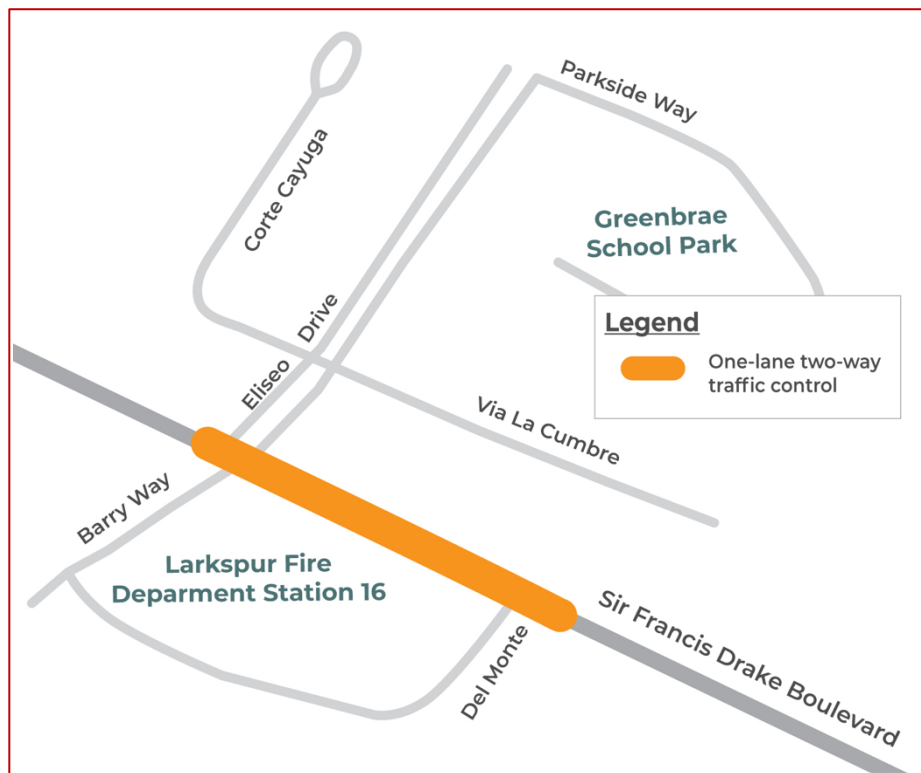

Starting: Thursday Night, May 6th, 2021 | 7:00 p.m. – 4:00 a.m.

Duration: One Night, Thursday night May 6th to early Friday morning May 7th

On Thursday night, May 6th, the Upgrade the Drake contractor will be working on trenching and putting in a communications conduit underground between Eliseo Drive and Del Monte along Sir Francis Drake Boulevard. The work will last one night and will take place from 7:00 p.m. – 4:00 a.m. to minimize significant traffic impacts. There will be one-lane, two-way traffic controls in place. Please use alternate routes where possible. Traffic delays can be expected.

Please watch for flaggers, who will be controlling traffic, and make sure to slow down through the construction area. The construction team thanks you for your patience.

The orange bar in the graphic below illustrates where the trenching for the underground communications conduit will be taking place.

To receive updates throughout the construction process and for more information on Upgrade the Drake, please visit the project website at www.upgradethedrake.com. For questions or concerns, please call the project hotline at (415) 688-7613 or the project email address at info@upgradethedrake.com.
